### SUMMARY

Motivated and detail-oriented Web Developer with a intermediate foundation in HTML, CSS, and JavaScript. As a fresher, I bring a fresh perspective and a keen eagerness to learn and adapt to new technologies. My problem-solving skills are well-honed, allowing me to efficiently tackle challenges and deliver effective solutions. I am passionate about creating responsive and user-friendly websites, and I am committed to continuously improving my skills to contribute to innovative web development projects. Eager to join a dynamic team where I can grow and make a meaningful impact.

### EXPERIENCE

Human Resource Management Intern  
Lernx  
Aug 2023 - Oct 2023 • MEERUT, 250004

As a Human Resource Management Intern, I was responsible for leading and managing teams, ensuring effective communication among team members, and facilitating smooth operations within the HR department. I developed strong communication skills, which were essential in coordinating with various stakeholders and conducting interviews. Additionally, I learned to efficiently update and maintain records using Google Sheets, ensuring that all information was accurate and up-to-date. My performance and dedication during the internship were recognized, and I received a Letter of Recommendation (LOR) from my supervisor.

- Successfully led and managed multiple teams within the HR department.
- Developed and honed effective communication skills, enhancing team collaboration.
- Conducted interviews, contributing to the recruitment process.
- Maintained and updated records on Google Sheets, ensuring data accuracy.
- Received a Letter of Recommendation (LOR) for outstanding performance.
- Facilitated smooth operations and coordination within the HR department.

WEB DEVELOPER INTERN  
CODSOFT  
Jun 2024 - Jul 2024 • MEERUT, 250004

As a Web Developer Intern, I implemented my knowledge of CSS, HTML, and JavaScript to develop and enhance web pages, ensuring they were visually appealing and user-friendly. I learned to manage and balance the pressure of project deadlines alongside college exams, honing my time management and multitasking skills. During

this internship, I explored and applied various new animating effects to improve web interactivity and user experience. I tackled and resolved numerous technical challenges, gaining valuable problem-solving skills. Additionally, I utilized SVG images for scalable and high-quality graphics and employed ColorZilla for precise color selection and consistency across web projects.

- Successfully developed and maintained multiple web pages using CSS, HTML, and JavaScript.
- Effectively balanced project deadlines with academic responsibilities, demonstrating strong time management skills.
- Implemented various new animating effects to enhance user experience and interactivity.
- Resolved complex technical issues, improving my problem-solving abilities in a real-world context.
- Utilized SVG images for high-quality, scalable graphics in web designs.
- Employed ColorZilla for accurate color selection, ensuring visual consistency across projects.
